MUSIC ROCKS! WHAT IS IT?

Music Rocks! is an energetic, motivating, musical journey including instrument play, dancing, books, and super fun songs that teach important skills like counting, colors, hygiene and more! The icing on the cake is the program is facilitated by a Board Certified Music Therapist who offers support to the classroom and staff.

HOW DOES IT WORK?

Imagine ROCKING OUT on a drumset with your best friends, while composing your own meaningful music... we call that a typical Tuesday in the Music Rocks world! Our "Little Rockers" are having so much fun, they don't even realize they are learning important skills like recognizing social cues of peers, counting (rhythm=math), and creating and recognizing patterns!

Our childcare collaborators love that we focus on age appropriate social/emotional, motor, language/communication, and pre-academic skills.

Groups separated by age beginning at 4 months up to 3 years for 30 minute sessions in each group. Offered as an in house field trip or regular programming!

WE COME TO YOU!

Schedule your FREE intro session
Packages begin with 4 hrs a month.
Corporate pricing available.
